¹ On November 20, 2025, the SEC issued an order appointing Simpluris, Inc. as the Fund Administrator to oversee the administration and distribution of the Fair Fund.

II. BACKGROUND

On September 15, 2020, the SEC issued the Order instituting and simultaneously settling cease-and-desist proceedings against the Respondent. In the Order, the SEC found that between June and October 2017, Unikrn, an operator of an online e-Sports gaming and gambling platform, conducted an Offering in two phases - a so-called pre-sale and an initial coin offering (“ICO”) - in which it raised \$31 million through the sale of UKG, a digital token. Unikrn represented to investors that they would be able to access a variety of products and services with their UKG tokens, including placing bets on professional eSports and video game matches, and that over time Unikrn would make more features available. Unikrn further represented that it would facilitate a secondary trading market for the tokens and that its efforts to increase the usages for the UKG token would increase the demand for and in turn, the value of the tokens. Unikrn did not register the offer and sale of the tokens pursuant to federal securities laws, nor did the offering qualify for an exemption from the registration requirements. The SEC ordered the Respondent to pay a \$6,100,000.00 civil money penalty to the SEC. The SEC also created the Fair Fund, pursuant to Section 308(a) of the Sarbanes-Oxley Act of 2002, so the penalty paid can be distributed to harmed investors.

On December 17, 2020, the SEC issued an order appointing Miller Kaplan Arase LLP as the Tax Administrator of the Fair Fund. On November 20, 2025, the SEC issued an order appointing Simpluris, Inc. (“Simpluris”), as the Fund Administrator to oversee the administration and distribution of the Fair Fund and set the administrator’s bond amount.

On August 7, 2024, the SEC issued an order approving the amended proposed Plan of Distribution and published the amended approved Plan of Distribution (the “Plan”).

An Eligible Claimant whose Recognized Loss calculates to a distribution amount equal to or greater than \$10.00 will be deemed a Payee and will receive a Distribution Payment

IV. PLAN OF ALLOCATION

The Plan of Allocation, available for review as Exhibit A of the Plan, states how the Recognized Losses and Distribution Payments will be calculated.

The Plan of Allocation is designed to compensate investors based on their losses in Unikoin Gold (“UKG”), a digital token, purchased or acquired between June 11, 2017 and November 7, 2017 (the “Relevant Period”) from Unikrn Inc. in either the pre-sale or ICO phase of the Offering. Investors who did not purchase UKG from Unikrn are ineligible to recover under this Plan. An Eligible Claimant is a Person who suffered a Recognized Loss as calculated by the Plan of Allocation; who submits a valid Certification Form by the Certification Form Deadline; and who is not an Excluded Party under paragraphs 11(a)-(f) of the Plan.
